

# A Grammar of the German Language for High Schools and Colleges

This early work is a comprehensive and informative look at the German Language, designed for beginners and advanced students much of the information is still useful and practical today. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
