What is evangelism? Have you ever asked that question? For most people the word conjures up a great deal of pictures or thoughts that run the ambit of fanatics running the streets with tracts in their hands to the nice little Christian who models their faith through a quiet lifestyle. Is either of these correct? Is the answer somewhere in the middle? Is there a correct answer at all? I believe that there is. This book is designed to walk one through the ministry principles and actions of the greatest evangelist of all times, Jesus Christ. He remains the best example of communicating the good news in a purposeful, personal, progressive, practical, and pervasive manner. The understanding of what to say, how to say it and when to say it are found in the pillar principles of evangelism demonstrated by Jesus and are explained in this book. If you desire a practical tool to learn more about evangelism and teach others the same then this book is for you.
