

Harrap French-English/English-French Finance Dictionary (Harrap Bilingual)

Finance is the key to the world of business and this dictionary gives comprehensive coverage of French contemporary vocabulary associated with accountancy, banking and the stock exchange as well as day-to-day financial transactions. It contains: over 10,000 words and phrases; boxed quotations taken from the financial press to illustrate how terms are used; panels with information of the world's main stock markets and stock market indexes, as well as the main banking institutions in the UK, France and the US; and illustrated supplements on the euro, the Single European Market and on different ways financial documents are presented in the UK, France and the US.
