

Angus Adams and the Missing Pro Surfer: Book 2 Free-Range Kid Mysteries (The Free-Range Kid Mysteries) (Volume 2)

Angus thinks hes in for a week of fun, sun, and surf, but he couldnt be more wrong. When pro surfer, and new friend, Leo, goes missing just days out from a big title competition, Anguss well-tuned instincts just wont let it rest. When the adults wont listen, its up to him (with help from Hamish and Bodhi) to find Leo. But can he do it in time? And more important can he do it before he goes missing himself?
