

Ayanas Story of Dada and the Peacock

Little One has just finished her bath and now its time to tackle her soft, curly, tangled locks. . . every little girls dream, right? For Little One it is torture unimaginable as she kicks and screams while her mother dresses her hair. If only her hair was as smooth and straight as her big sister Ayanas. When mother leaves the room, Ayana attempts to console Little One with a story of a beautiful African girl who is also struggling with her own self-image. Little One is taken hundreds of years back to the ancient West African coast of Nigeria and meets a cast of friends who will teach her more than just to love her curly hair, but to also accept her for just who she is. As bed-time draws near, it is Amari who has yet one more lesson to teach Little One. . .
