

An Appointment with God: The Feasts of the Lord - Leviticus 23

Only God, Who is all knowing and all powerful, could bring these seven appointments with Israel to fruition. This in-depth study is based upon an inductive Bible investigation rather than rabbinical and traditional sources. Three unique aspects of each feast are demonstrated: a portrayal in vivid detail of the seven mountain-top historical appointments between God and the nation of Israel in the past, present, and future; simple but clear pictures of seven key spiritual events in every believers life; and an understanding of where we are in the timing of Gods plan for history.
