

Blue Ball

Blue Ball begins his day like any other. But, when he decides to go to the park after school, Blue Ball's day becomes much more interesting. A human boy bats him high into the sky and he lands in the top of a very tall tree. What will Blue Ball do now? This storybook is an exercise of the imagination. With bright, colorful photographs and a simple blue ball as the central character, your child or children can immerse themselves into the imaginary world of Blue Ball, which becomes more complex as he experiences one adventure after another. This book is designed to be read along with your child or to a group. To encourage cognitive, artistic, and writing skills, blank pages at the end of this book are provided to allow your child to draw out a Blue Ball story of his or her own design.
