

Consumer Behavior (The Macmillan Series in Marketing)

For undergraduate- and graduate-level courses in Consumer Behavior and Consumer Psychology, offered in departments of Marketing, Psychology, Consumer Studies, and MBA programs. The authors goal in Consumer Behavior, Fifth Edition is three-fold-(1) to provide a current, balanced, and interesting treatment of the field; (2) to fully integrate modern electronic technology into the learning and instruction processes; and (3) to provide students with a means of identifying the managerial relevance of the consumer behavior concepts.
