

Champions: at fires end (Volume 1)

Seventeen-year-old best friends, April and Kyle, are thrown into the final battle of the Titan-Olympian war. Locked into an endless struggle, the Immortals have finally reached a solution bestow mortal Champions with control over the elements to wage their final campaign. Bestowed with control over fire and water, April and Kyle were raised by Immortals with a single purpose win the war. After finally uncovering the remaining Champions identities, April and Kyle must launch themselves into their final battle for survival. Winner takes all. But the Immortals are growing restless, and time is running out. Four mortal champions Two immortal factions One eternal victor
