

Chasing the Valley 3: Skyfire

What if you achieve everything youve dreamed of - and it turns into a nightmare? Danika and her crew of refugees finally reach the Magnetic Valley. Will it be the safe refuge and land of freedom they had imagined? When a runaway girl is shot down before their eyes, Danika and her friends realise that this new land is no paradise. They must try to fit in at all costs - even if revealing their secrets will mean a death sentence. The conclusion to the Chasing the Valley trilogy will reveal explosive surprises and terrifying new dangers.

THE CHASING THE VALLEY SERIES:
BOOK 1: CHASING THE VALLEY
BOOK 2: BORDERLANDS
BOOK 3: SKYFIRE

PRAISE FOR SKYFIRE: I absolutely adore the Chasing The Valley series, its an incredible fantasy dystopian fusion series that is not only engaging, but simply magical . . . I dont often completely and utterly fall in love with any book, not to mention an entire series, but Chasing The Valley is not only worthy, but its simply phenomenal. divabooknerd.com Wow, what an incredible conclusion. Honestly, Skyfire was everything Id hoped it would be and more . . . Much more action, many more unpredictable twists, great character development and the perfect amount of feels. Get yourselves a copy, people. ASAP.
