

## Daisys Defining Day: 2

Daisy loves words, so she is delighted when Miss Goldner teaches the class about alliteration. When her neighbor Grant starts calling her Lazy Daisy, she decides to come up with an alliterative nickname so dazzling it sticks. As Daisy collects D words that describe her, she shows delightful determination in finding the perfect name. Daisy's Defining Day is book two in the Daisy series. With its fresh, fun characters and engaging, believable stories, the Daisy series introduces children to the satisfaction of independent reading and the joy of playing with language.
