

Eingeschneit Eine Studentengeschichte (Classic Reprint)

Excerpt from Eingeschneit Eine Studentengeschichte In an almost daily intercourse with his Imperial master, Frommel soon had completely taken the heart of the affable old hero, whom from 1872 to 1887, year after year, he accompanied to Wildbad Gastein, the famous watering place in the Austrian Alps, where in the little Protestant church of that Catholic district the Old warrior joined the few Lutheran mountaineers in their devotional exercises, listening to the words of his chaplain, whose sermon he could not afford to miss as he said - for a single Sun day in the year.
