

The Exchange: Beauty for Ashes

A large number of people are mourning due to the painful effects of romantic relationships. The Exchange: Beauty for Ashes is a detailed, transparent, and personal account of Shemika's life before and after making the decision to abstain from pre-marital sex 10 years ago. This book allows you to enter into the secret corridors of her personal life and testimony. The Exchange: Beauty for Ashes exposes the detriment of pre-marital sex in spite of the sexual freedom that is expressed within modern culture. This book challenges you to examine the effects of premarital sex and engage in honest communication concerning relationships, romance, commitment, and sex with ease. The Exchange: Beauty for Ashes is a story of Christ's redemptive power, amazing grace, and provision for those that come to him in a season of mourning- the fulfillment of his promise in Isaiah 61:3 to give Beauty for Ashes!
