

How Cancer Cured My Soul

In telling his story, cancer survivor Harry Jones explains why he sees his diagnosis of pancreatic cancer as the best thing that ever happened to him. His is a miraculous story of a soul being cured as a result of powerful spiritual intervention and a life-affirming attitude. Life can sometimes deal us a crushing blow that knocks us down and changes the course of our lives. Its what we do after weve been knocked down that defines our character. This book is about becoming your own best advocate for your health. Its also about learning to live in the moment, appreciating the time you have and all the beauty that surrounds you, and recognizing that every moment of life is a gift to be treasured and shared.
