

Introducing Qualitative Research: A Students Guide to the Craft of Doing Qualitative Research

Introducing Qualitative Research is an ideal starter text for those new to the field, providing thorough coverage of all the core areas of qualitative research practice. Rose Barbour draws on her extensive teaching experience to provide a clear, user-friendly introduction to the craft of doing qualitative research. Each chapter comes with a range of exercises and with excerpts of genuine qualitative data that help the reader get a good feel for the process of generating and analyzing qualitative data.
