

## Japanese Word Power: Quizzes and exercises for building a more powerful Japanese vocabulary

You've learned the basics of Japanese....But how to you build a competent, sophisticated mastery of the language? This is the challenge that most advanced beginner to intermediate students face.If this describes you, then you need to acquire Japanese Word Power.Japanese Word Power consists of forty intense, information-packed chapters that will literally pound Japanese vocabulary into your head, through a series of reading exercises, quizzes, and innovative exercises. This book contains study tools that have rarely, if ever, been applied to Japanese language studies, such as the Japanese Word Finder exercises.With an emphasis on the practical, Japanese Word Power draws its material from real-world sources: blogs, business letters, and newspaper articles. You will also expand your vocabulary with special Word Focus sections that break down hard Japanese vocabulary into bite-sized, easily understood pieces.
