

Dlameni and Jones: Boy Detectives (Trilogy Book 1)

It all started with the disappearance of silverware. Digby Jones and Jabulani Dlameni , two adventurous high school boys, take on the challenge to help find the missing valuables. When they eventually find the missing items, they stumble on much more than they bargained for. From that moment the two eager detectives are caught up in a real Sherlock Holmes mystery. As the mystery unfolds, they soon discover that the hair-raising facts that arose from the case were far beyond their wildest dreams! The problem is, will anybody believe them? This exciting story is packed to the brim with mystery, action and humour. It will keep you spellbound and in suspense up and till the last sentence and then leave you with a million questions - only to be answered in Part 2 of the Trilogy.
