

## The Little Book of Leonardo da Vinci

The enigmatic genius of da Vinci's major painted works and the artistic and intellectual brilliance of his sketches, notes, and writings continue to fascinate art lovers and scholars. The Little Book of Leonardo da Vinci provides the perfect introduction to the life and work of the man who wanted to make miracles happen. An introductory biographical text is followed by over 70 alphabetical entries, which provide detailed analyses of his work. The book brings together da Vinci's best-known paintings along with his most important inventions and numerous scientific drawings. Flammarion presents its series of informative, richly illustrated guides, covering lifestyle and cultural topics. Find out everything you want to know about your favorite subject in one handy volume. Unique thematic treatment with extensive use of key words and cross-referencing. Over 70 alphabetically organized bite-sized entries in every title. Attractive slimline format. 100 color illustrations. Summaries of key facts and dates in easy-reference tables. Exclusive buyers guide or list of useful addresses to find out more.
