

The Flowering Cross

A modern-day story of how Christ's resurrection is still changing lives. Six-year-old Katie's next-door neighbor Papa Jack has the most beautiful flowers in town. He seems like a mean man to most, but Katie has a special place in his heart. Every Easter Sunday she stops by to get her flowers for the Flowering of the Cross at church. Only this year, Papa Jack decides to come along, and Katie helps him discover the real meaning of the Cross. Designed to place God's truths in the heart of children, *The Flowering Cross*, has Faith Imprint™ suggestions throughout that will help parents share God's Word with their young one. Also included are instructions for making a Flowering Cross.
