

Magic Readers

Help early readers build confidence with Magic Readers! This nonfiction leveled readers series helps children progress to being independent readers while learning about their favorite animals. Levels 1, 2, and 3 reflect the stages of reading in the early grades, aligning with the Common Core State Standards progression of literacy. Illustration-enhanced photographs provide visual appeal and cues for new vocabulary. Whether just learning to read or transitioning into independent reading, students will love Magic Readers! Magic Readers is an imprint of Magic Wagon, a division of ABDO.
