

Margaret

Margaret brings the sun up in the morning and says hello to the moon and stars at night. It's her world and Margaret has fun! As she creates a perfect day, Margaret evokes a delightful sense of harmony and communication with the beauty of nature that children and parents will share. Jeremy Dubow's gentle watercolor of Margaret sleeping at the end of the day makes it a perfect bedtime story. The free-spirited Margaret has a calm inner strength that is a wonderful role model for young girls and boys. No self-esteem problems here! As legendary jazz pianist Chick Corea said, These are the simple but beautiful pleasures of life. We all want to be like Margaret.
