

Memories of Dr Shinichi Suzuki: Son of His Environment

Dr Shinichi Suzuki, creator of The Suzuki Method is remembered in this important book for his extraordinary warmth, care, and sense of humour. Even as the word Suzuki slips into the realm of mythology, this book recalls scenes from his life, explains how he was influenced by Japanese history and goes deeply into his Zen environment. Students, parents, teachers and general readers who did not know Dr Suzuki will get keen insights into this person who was indeed The son of his environment. Vilma Dyball
