

Forever down under

++ This book is not intended for readers below the age of 18+ due to strong language and sexual content ++ In the last few months, Jess has been faced with more obstacles than she ever thought possible. Heartbreak, loss and betrayal to name just a few. Will her drama fuelled life finally settle into the happy, care free one that she deserves or is someone hiding and waiting for the perfect opportunity to ruin it all? Life for Max hasnt exactly been plain sailing either. Now that he finally has someone in his life that means more to him than anything he has ever known, one thing is for certain, hes not going to let anyone get in the way of his new found happiness, no matter what the cost. Demons are released, pasts are exposed and their future together is only what they make of it.
