

## Mystery at the Statue of Liberty: The Unwanted Ghoost! (MAXs Mystery Travels)

A humorous, educational mystery book for ages 7-9. Mysterious things have been happening at the Statue of Liberty: items float across the room and spooky voices fill the air! Is Lady Liberty haunted? No one knows for sure, but the Mayor of New York City is convinced that if anyone can solve this ghost of a case its the worlds most famous koala detective, MAX! Follow MAX and his four sly sleuths (an obnoxious, lovable bird, a fearless squirrel, a karate-kicking kangaroo and a super-snoop mouse with stinky cheese breath) as they travel from Australia to New York City to crack the case! Kids will learn about the history of the Statue of Liberty, meet the mayor, and attend a seance. Filled with engaging illustrations, this book is a huge hit with kids, parents and teachers! For younger children who need reading assistance, you can purchase this book in audio book CD format. The audio book has narration (may be turned on and off) and awesome sound effects. Check out MAXs other mystery books (Mystery at the White House and Mystery at the Baseball Hall of Fame) plus his activity book series about government and civics titled Travels with MAX: Travels with MAX to Washington, DC; Travels with MAX to the White House; Travels with MAX to the US Capitol Building; Travels with MAX to the Supreme Court; Travels with MAX: How a Bill Becomes a Law; and Travels with MAX: How American Citizens Elect Their Leaders.) All of MAXs books are available in e-reader and audio book CD formats.
