

Davey & Derek Junior Detectives: The Case of the Missing Cell Phone

Davey and Derek Donato are twins, but not identical, who love to play detective. They are always ready for adventure living in the sleepy little town of Lindon where nothing happens. The twins overhear about a sixth grader who lost her cell phone. The fifth grader twins kick into detective mode to solve their first case with the help of their friends, Mickey Catonni, aka cat. Things don't seem to add up when a bully gets into the mix.
