

Ocean Cove

17-year old Chase Rowlands parents move the family to a picturesque Caribbean island; to a beautiful house on a cliff overlooking the sea. Chase is captivated by its allure. He is growing up, and he falls in love for the first time hard. The girl is everything he dreamed of, but Chase has to pay the price for this courtship. He doesn't want to lose her, but does he want to lose his life? How hard is he willing to fight for her, and for himself? Chase finds himself entangled in a supernatural war, in a magical world, and in a romance he just can't turn away from. Has his life taken a turn for the better, or for worse?
