

Saddlemaker To The Stars The Leather And Silver Art Of Edward H. Bohlin

Saddlemaker to the Stars is the culmination of ten years of research and writing. Nottage examines Edward Bohlin's personal voyage from his departure from Sweden as a cabin boy aboard a freighter, to his apprenticeship as a cowboy in Montana, to the opening of his first saddleshop in Cody, Wyoming, to the growth of his shops in Hollywood. In the process, he situates Bohlin in his own time, and in the history of the American West.
