

The Rise of Shendoa: Part Three (The Underworld Legacy Series) (Volume 3)

Part Three After centuries of preparation, the Army of Shendoa attacks Gracks castle in a remarkable battle with elves, gargoyles, dwarves, dragons, and men. The talents of Gracks general Prince Sarle are pitted against the minds of the Shendoa leaders. Dragon Riders continue to hunt the Shuntie and Kaing. With each encounter proving more difficult to survive, Kaing learns more of skills he possesses of which he was previously unaware. As the dragons loyal to the Dark King prove difficult to overcome, old allegiances prove true as others come to the aid of Shendoa to overthrow the Dark King.
