

## Snowball Wars (a hilarious adventure for children ages 9-12)

Age Level: 9 - 12 Grade Level: 4th and up  
An ordinary snow day turns sour when Jordan and his friends are ambushed by a flurry of snowballs launched by the most villainous kid on the block, Max (Jordan's older brother). Barely escaping, Jordan comes up with a plan for counter attack that could lead to the end of the war. If they want any chance of winning, Jordan and his friends will have to trudge half a block through the snow to safety, but with Max and his goons searching the entire neighborhood for them, it won't be easy. Snowball Wars is an 8000 word hilarious adventure for children, middle school students, and adults (who make the best snowballs). Written by Marcus Emerson and Noah Child with art by David Lee.
