

# New Developments in Proteomics Research (Protein Biochemistry, Synthesis, Structure and Cellular Functions; Protein Science and Engineering)

Book annotation not available for this title.  
Title: New Developments in Proteomics Research  
Author: Fukushima, Goro (EDT)/ Satou, Yoji (EDT)  
Publisher: Nova Science Pub Inc  
Publication Date: 2012/06/30  
Number of Pages: 241  
Binding Type: HARDCOVER
