World real world ... and mystical, at the same time. It has included the biological matrix with the spiritual parameters of another type of communication the imperishable. Born in the theistic space, but wandering around the earth through its contacts with chosen people. In this case - Anna the main character of the fantasy novel Humility. The original idea of existence as a philosophical notion and substance of thought and flesh. The book is labeled by the author as the first of the series Blessings. There roams the angelic multitude, presented in a hierarchical gradation of BlackX18 and BellX18 Light XXX and archangel SixWings XX. All of them - engaged in a project Sensors-philosophers, its ultimate goal is to remove the multiplication and reproduction of genetically modified humans. Because if this happen in the cyclical series of political, economic, military and social turmoil on Earth, the modern civilization will be destroyed. And why is the book called Humility? It has a fighting spirit and forgiveness, hope and despair, violence and celebration of the dominant common sense. No softness and indifference to what is happening. The reader will surely understand - above all, like a morning dawn which has suffered everything, there comes the shining goodness. A gift from the Creator for His imperfect children whom he never ceases to love. If we have earned in His name, lets get under her fair purifying arch. Yes, there is reason, there is really a reason why...
