

The Network Series Complete Collection

This compelling six book collection features over 1,500 pages of unexpected magic, enduring friendship, and relentless determination. Join Bianca Monroe and her friends as they navigate war and the difficulties of growing up together in this clean, gripping YA fantasy series. Inside this The Network Series Complete Collection you'll find the following novels:

Mildred's Resistance: Mildred Graeme is a witch that knows what its like to fail. She loathes small talk, struggles with magic, and grew up wretchedly poor. Whats easy for her best friend Evelyn, a wealthy, powerful socialite, is difficult for Mildred. The two lifelong friends reunite at Chatham Castle where they fight together for the dream of a better world. Mildred wants to save the Network from political elitism, while Evelyn encourages it. When Evelyn gains power and threatens to obliterate the Network, Mildred realizes that she must overcome her fear of failure to save the lives of those she loves, even if it means betraying her best friend. Miss Mabels School for Girls Letum Wood is a forest of fog and deadfall, home to the quietly famous Miss Mabels School for Girls, a place where young witches learn the art of magic. Sixteen-year-old Bianca Monroe has inherited a deadly curse. Determined to break free before it kills her, she enrolls in the respected school to confront the cunning witch who cast the curse: Miss Mabel. Bianca finds herself faced with dark magic she didnt expect, with lessons more dangerous than she could have ever imagined. Will Bianca have the courage to save herself from the curse, or will Miss Mabels sinister plan be too powerful?

Antebellum Awakening Still reeling in the wake of her mothers death, sixteen-year-old Bianca Monroe is forced to move to Chatham Castle. Not even the sudden appearance of ancient dragons in haunted Letum Wood nor her two best friends can distract her from the

strength of her deep, dark rage. Her grief puts her magical powers into chaos, endangering any witch around her. She has six months left to destroy the curse that will kill her and fulfill her contract with the most cunning enemy of all: her former teacher Miss Mabel. Bianca must make a choice: learn to control her restless powers, or let the powers control her. The High Priests Daughter Despite swirling rumors of war, seventeen-year-old Bianca Monroe is living without restraint for the first time. With no curse to hinder her and her enemy, Miss Mabel, imprisoned in an impervious dungeon, shes finally free. Nothing lasts forever. The Southern Network attacks, launching Bianca, her beloved father, and everyone she cares for into a war controlled by the clandestine witch Angelina. Chatham City burns, Guardians die, and Bianca soon realizes the only witch who can save the Central Network is the conniving Miss Mabel. Will setting Miss Mabel free save everyone she loves, or unleash a greater evil on the Central Network and all of Antebellum? Is Bianca strong enough to make the right choice? War of the Networks With the Central Network teetering on the brink of destruction, eighteen-year-old Bianca Monroe is determined to defeat Mabels powerful Almorran magic by finding the Book of Light. Then disaster strikes. Mabel kidnaps Bianca, keeping her prisoner in the hot sands of the Western Network, Bianca soon realizes that things are not as they seem. Mabel is more dangerous and unhinged than shes ever been before. Will Bianca escape the clutches of her greatest enemy in time to find the Book of Light and save her Network? Or will Mabels madness consume Antebellum, making it burn in the raging black flames of Almorran magic?
