

A Guardians Desire

Genre: BBW Multicultural Shape-shifter Paranormal Menage
When bounty hunter Freya Daniels attends a pageant for werewolf debutantes and suitors, she's far too busy enjoying the perks of wealth and ceremony to realize she's being watched. When she meets the submissive wolf Rayne, she cannot believe her luck. The androgynous male is just made for her voracious appetite. But she's not expecting the beta wolf to come with a very dominant and powerful Alpha, Fenris. Fenris is just as much of a warrior as Freya and twice the brute. While she would normally never consider dating a bull like Fenris, there is something different about the Alpha, something even she can't deny: the attraction between wolf-mates. Together Rayne and Fenris are not only more than she can handle, but all the guardian could ever desire...if only she could admit that to herself.
