

The Talent Show

When their town gets destroyed by a tornado, everyone is pretty depressed. So in order to cheer everyone up and raise some money, the community decides to put on a talent show. Unfortunately, no one in town is particularly talented. But that doesn't stop everyone from giving it their all! Especially the one star in town. She just might have what it takes if she can get to the show on time. When another tornado hits, the kids make every effort to put the show on, but there may be more surprises in store! Dan Gutman delivers another hilarious tale about school adventures!
