

Wanderers of Worlds

In this fantasy novel, a young man named Talbot Kolbe embarks on a mystical journey in which he encounters dragons, dinosaurs, and demons as well as witches and wizards. Talbot travels to other planets and dimensions, all the while trying to avoid traps laid by a cunning, ruthless enemy. Along the way, Talbot is helped by Caroline Casey, a young woman with extraordinary supernatural abilities. In addition to his battles against the forces of evil, Talbot fights an inner war. He is often helped by the wise counsel of Sagehorn, the elven prince.
