

Sorcerers

One day when Castor Gemini was almost 14 he received a ring from his mother; passed down through generations of Geminis this ring would unlock Castors sorcery powers. The very same day, after school, Castors best friend Vela is presented with a lamp from her mother that unlocks her special genie powers. Together, they are sent away to live with the Protectors; a group whose sole mission is to teach young sorcerers and genies like Castor & Vela how to develop their powers so that they can one day help defeat the forces of evil in the world. Once their training is complete, Castor and Vela join a group of other young sorcerers and genies to confront the evil forces of Medusa and Hades, who are plotting to destroy the world. Utilizing their new found powers, this army of sorcerers and genies get into deadly battles in an attempt to save the world. Will these battles be the end of Castor or just the beginning?
