

Serendipity & the Dream Catcher

Serendipity Tomas is an unusual eleven-year-old-girl. She collects words, has an English teacher for a mom, and experiences horrible nightmares, featuring the class bully, Devin Sharkwell. Her uncle sends her a Native American dream catcher that becomes personified in her dreams, helping her survive a thrilling ride of surreal adventures. Later on, she is introduced to elementary dream interpretation, which allows her to unravel the mysteries behind her dreams.
