

## Wild Horses (Horses of Half Moon Ranch)

There is no greater trust than the one between a rider and her horse. Kirstie Scott lives for horses. She is leading a horse trek through Miners Ridge when a sudden storm causes a landslide. She is trapped alone in Dead Mans Canyon with a herd of wild horses whose leader - a proud stallion - has been hurt by falling rocks. Cold, wet, and alone in the gathering storm - can she find a way out and help the injured stallion? What readers are saying: I found this book really thrilling and couldnt put it down.
